

## GRANT – IN – AID APPLICATION FORM

### GUIDELINES AND VALUE SYSTEM TO THE APPLICATION

- This short term financial assistance is aimed at parents who enrolled their child/ren at El Shaddai Christian School in the knowledge that they were in a sound financial position and were able to cover all school fees and related expenses at the time. However, circumstances have now changed.
- Application for a grant-in-aid can be made throughout the year to the school's Custodian if a family is in need of urgent bridging finance as a result of temporary unemployment or short term financial difficulties and will be handled on a case-by-case basis. *Bridging finance will be approved or rejected solely by the Custodian.*
- This financial assistance, if granted by the Custodian, is for a maximum period of 2 to 3 months. Should the family's financial position improve within this time, it is the family's responsibility to notify the Custodian via the Headmaster of this in writing. In this way the grant may then be utilised to assist similar needy families.
- The family is accountable to the Custodian and it is expected that the child/ren receiving this grant perform in accordance with the expected norms and values as prescribed by the school. If not, such financial aid may be terminated at the discretion of the school and/or Custodian.
- A complete, updated Income and Expenditure Statement needs to accompany this application (see attached template as an example).
- As a guide, the maximum amount granted by the Custodian could equal 100% of basic school fees. However, the percentage granted is at the sole discretion of the Custodian and for this reason, applications need to be well motivated. It is expected that the parents cover the outstanding balance [if any] within 30 days. Failure to do so may result in the Custodian cancelling the family's aid.
- The aim of this aid, if all else fails, is to allow the child/ren to complete the term and in so doing, minimise any educational disruption or inconvenience to them.
- This application is viewed as strictly confidential and for the "Custodian's eyes only".

Please could you furnish a **confidential letter in a sealed envelope to the Custodian:**

- Confirming to the best of your knowledge that the family is in need of financial assistance;
- Confirming that the family is firmly based in your church;
- Confirming that, should it be necessary, your church as the covering authority would be prepared to provide financial planning/guidance to the applicant.

Would you be so kind as to address this letter to:
