

Dear ESCS Parents and Supporters,

We are delighted to launch something very exciting, special and long overdue – our very first **ESCS Supporters' Apparel Range!**

This collection is designed especially for our proud ESCS parents, extended family, and loyal supporters. Whether you are cheering from the sidelines, joining a class excursion, or simply starting a conversation about our incredible school – this is for you!

Through a special partnership with our Touring First Team suppliers & sponsors, we are excited to bring you a **unique product range** that makes it easier than ever to show your ESCS spirit.

👉 How to order:

1. Watch [this video \(click here\)](#) & measure the person you want to order for. Keep these measurements at hand. **Please take note that no measurement should ever be made on a person's body. The physical garment should be measured and NOT the person. No order should be made without measuring.**
2. Visit our website and head to the **Uniform section**. Just below that you will see the **Supporters Apparel Information**.
3. Click on the **Shop Apparel** button (please wait for the e-tail site to load)
4. Enjoy a simple online shopping experience: browse, select the correct size (following the video and measuring instructions), add to basket, and pay online

👉 T's & C's

- It is important to note that these items are **not school uniform**, and our students can not wear them as part of or in place of any School Uniform items.
- A short **video clip** has been linked above to show you exactly how to measure a garment (for you or the person you are ordering for).
- Each clothing item has a **size guide** available when browsing – please measure carefully using the video provided and compare your measurement with the size chart before adding to your basket.
- **⚠️ Important: Do not assume your usual size. Sizing may differ from familiar brands.**
- Once you have collected your items, you will have **24 hours to fit and email vorsterm@escs.org.za** if any factory errors are found. Should there be a factory error, the supplier will fix it. The school and supplier will not be held accountable for any size errors on any garment due to not using the size chart or measuring video.

Ordering window: Opens **7 October** and closes **31 October**

 **Delivery:** Orders will be delivered to ESCS by the end of November, with collection details shared closer to the time.

 Don't miss this opportunity to:

- Dress yourself in ESCS pride
- Spoil a loved one (especially with Christmas around the corner)
- Treat yourself as a true brand ambassador
- Gear up for 2026 Sport Season

Let's fill the sidelines, excursions, and community with ESCS colours and pride!

With excitement,

ESCS Advancement & Marketing
